

Our Donors

Our family of donors at CCF is always surprising us with their generosity, not just from their pocketbooks, but from their hearts and minds.

You give every year to our Annual Campaign and to build your funds, but you also serve on our grantmaking committees and task forces and are there when we call for advice, expertise and perspective.

Without your gifts, the work and dedication of our nonprofit partners could not continue and many of our communities' needs would not be met.

Thank you for your personal involvement and all the ways in which you *give back* to our community.

The list below includes the names of those who gave \$250 or more between July 1, 2003 and June 30, 2005 with a special "thank you" to a group of donors who have given a total of \$1 million or more to CCF over our 31 years of working in the community.

A Million Thanks To You

Our words are short-lived, while your gifts will continue to *give back*
to our community for years to come.
A million thanks to you for touching so many lives with your generosity.
